ALL-COUNTY INFORMATION NOTICE NO. I-65-89

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY CIVIL RIGHTS COORDINATORS

SUBJECT: CIVIL RIGHTS REGULATIONS TRAINING WORKSHOPS

REFERENCE: DIVISION 21-103 THROUGH 21-205

This is to advise you of a series of workshops being conducted by the Department of Social Services' Civil Rights Bureau to review the recently revised Civil Rights Regulations referenced above. We have received many inquiries about these and other related Division 21 Regulations and believe a workshop would be the best way to address these concerns. In addition, many Civil Rights Coordinators have expressed an interest in getting together with Coordinators from other Counties to share ideas and practices about County procedures used to attain compliance with the SDSS Division 21 regulatory requirements.

Attendance at the workshops will be mandatory for Civil Rights Coordinators. It is recommended that the County also send someone from their training or staff development unit. Enclosed is a schedule indicating the workshop dates and locations with County assignments.

We want to thank the host Counties who have extended their hospitality in making a facility and accommodations available to the State for these workshops.

Please contact your Civil Rights liaison analyst at least three weeks in advance of the date you are scheduled to attend with the number and names of individuals scheduled to attend.

If you have any questions, or if attending the workshop on the date scheduled for you is not feasible, please contact your Civil Rights liaison analyst at (916) 322-4134 and we will make alternate arrangements.

A handwritten signature in cursive script, reading "Robert L. Garcia", is positioned above the typed name and title.
